

6626: User Fields Modifications Open SO/WO Dashboard

Secon Rubber and Plastics Inc

Overview of Changes:

- Project modifies Open SO/WO Dashboard 5219
- User field 2-3 already part of the original project
 - Used to be called “SO and SO line”
- User fields 1-4 captions are set through “System Support > Administration > Company Options (Standard) > Order Entry Table Maintenance > User Fields”

field 1 test	SO User field 2	SO User field 3	USER FIELD 4

Order Entry - User Fields
